

# Norfolk Blues Play Richmond Blues To-Morrow Afternoon

## Story of Game in Detail

Carolina won the toss, and chose to defend the west goal. The teams were in position at 2:40 o'clock. Gooch, as the whistle sounded, dashed forward, but passed the ball, and Carter, on a cross-play, kicked the oval to Stevens. It was fumbled, and before the surprised Carolinians could turn, Woolfolk was on the ball.

Virginia immediately attracted the line. Mayer gained six yards, and Todd three on a skin tackle play. Gooch attempted a forward pass, but it was fumbled. The same play was attempted, and Huske had the ball on the thirty-yard line.

Jones, the Carolinian centre, passed the ball over the head of the backfield. Tillet was on it, but fifteen yards were lost. Tillet then punted to Todd, who captured the oval and ran it back to the thirty-yard line. A cross-play through the right side of the line failed to gain. Todd tried a forward pass, but the ball hit the ground. The play was repeated. The ball was fumbled. Homewood recovered.

Tillet immediately punted for twenty-five yards to Todd, who advanced the ball five yards. Mayer made five more on a line play. Smith made two, and on the next play made it first down.

Todd, on a delayed pass, skimmed the ball for ten yards, being downed by Tillet. Smith, on a straight buck, went through the right side of the line for the first score of the game. Carter kicked the goal.

Dortsch was substituted for Johnston at left guard for Carolina. The Tarheels kicked off. Tillet sending the ball to Todd, who fumbled. He made a pretty pick up, and came back for twenty yards. He was thrown by Tillet, after dodging and twisting past four Carolinians. Gooch went through four for three yards. Virginia here drew the first penalty, being set back five yards for an offside play. Todd punted to Tillet, who after signalling for a fair catch, was thrown heavily to the ground. This place of roughness cost Virginia fifteen more yards.

Carolina, on a delayed pass, made three yards. Two more plays failed to gain the distance, and Tillet punted to Todd. Here another fumble marred the otherwise perfect performance of the speedy Orange and Blue captain. The ball was again recovered by Virginia, but on the ten-yard line.

Carolina, playing desperately, threw Mayer for a loss. Todd was forced to punt, sending the oval to Tillet, who was tackled in his tracks by Woolfolk. The ball was Carolina's, with twenty-five yards to go.

First and Last Chance. Right here Carolina had her first and last chance to score. Captain Tillet on a beautiful run swung around the right end for fifteen yards, being tackled by Gooch. A free fumble was recovered by the Tarheels, and Virginia was penalized for being offside. Moore on a run around left end made two yards. Three yards were lost on the next attempt. Tillet went through left tackle for four yards. Moore failed to gain, and the ball went

over to the Orange and Blue three yards from her goal. Gooch went through centre for three yards. Mayer on a line plunge made it first down. Todd circled left end for forty-five yards, and was downed by Tillet. Virginia, however, for holding, was brought back and penalized fifteen yards. The oval was punted to Tillet, who let it strike the ground and then recovered it. On an end run the Tarheel captain lost two yards by slipping when dodging through the mud. Carter broke through the line on the next play and threw Moore for a three-yard loss. Tillet went through the right tackle for five yards. The quarter ended here, with Carolina in possession of the ball on Virginia's thirty-five-yard line. Score, 7 to 0.

Second Period. At the opening of the next period Tillet punted to Gooch, who, after running back five yards, was thrown into a pile of snow on the twenty-five-yard line. Todd here pulled off the most spectacular play of the game, circling the left end, sailing through the line, and carrying the ball for eighty yards and the second touchdown of the game. Carter kicked goal, making the score 14 to 0.

Tillet kicked off to Gooch. The oval was fumbled, but Gooch recovered and advanced it fifteen yards. Three line plays failed to gain the distance, but Todd again went around end for fifteen yards. A forward pass, Gooch to Finlay, gained the same distance. Mayer made five yards through left guard. Smith in the same place made first down. Virginia gained seven yards more by the same tactics. Carolina was penalized half the distance to the goal for holding. Mayer plunged across the line for a touchdown. Carter kicked the goal.

Carolina again kicked to the Virginians. Gooch, who received the ball, following perfect interference, ran it back twenty-five yards. Todd was tackled behind the line by Abernethy, and Virginia was penalized fifteen yards for holding. Todd went around the left end for ten yards, but it was then the last down, and Gooch punted for forty yards. Tillet dropped the ball, but recovered. He was thrown Huske at left end, and Homewood was relieved by Long.

Tillet kicked to Todd. The ball barely cleared the line, and less than fifteen yards were gained. Mayer took the ball around left end for five yards. A forward pass failed, and Carolina was set back for an offside play, making it first down for Virginia. Smith through the line gained five yards. Mayer made it first down once again. The next play, a cross buck, was smeared before it was started. Two line plays gained six yards. Mayer on the last play dashing through left tackle for another touchdown. Gooch punted out to Todd, but Carter failed to kick the goal.

Virginia kicked off to Carolina. Jones received the ball, but was tackled by Todd, who did the kicking. Jett broke through the line and threw Moore for a loss. Tillet was forced to punt. Gooch made a perfect catch, but was

## VIRGINIA DEFEATS TARHEEL WARRIORS IN SIGNAL FASHION

(Continued From First Page.)

One big spectacular run of the game, going eighty yards, from the lineup in the second period for a touchdown. In addition he had to credit a hike for thirty, another for twenty-eight and another for twenty-two yards.

Mayer, a youngster, and a corner, was a consistent running mate for Todd. He crossed the goal line five out of the ten times credited to Virginia. Smith, at fullback, plunged his way ahead through the shivering Blue and White line, on every occasion. Carter, the big guard, Woolfolk and Redus, handled the Carolinians as if they had been pigmies. It really wasn't a ball game—it was a killing.

Sub after sub was sent in by the Carolina coaches in the hope of stemming the tide, but they could not help. Virginia was out to win—out to win by so large a score that previous defeats would be forgotten in the achievement. Towards the end Elliott sent in all his subs in order that they might get one chance to cover themselves with glory. They did, while in the end, the Tarheels scored two touchdowns.

Todd a Real Hero. Thomas Hardy Todd, captain of the team, in the last period, thinking that the coach had called him to the sidelines, started to leave the field, but left crying. Smiles broke through the Groner, who was trotting across the field, happy that he was to get a chance, was to take Acree's place and not Todd's. It was probably the easiest victory achieved this year. And what is more, the score rolled up is nearly twice as great as that rolled up by either Washington and Lee or Georgetown against the same eleven—the same eleven minus some three weeks of special training for the game of yesterday.

Is there joy in the Virginia camp? Does a fish swim? Joy there is, joy plus a superlative amount of happiness. Dr. Calhoun, celebrating the victory, and what he regards as a justification of the alumni system of coaching, forgot dignity, and flagrantly violated the conventions by shouting his shout in open defiance of the cheer leader and everybody else. Speed Elliott gave a new demonstration of the Victory Hug, while Blue Warren trotted back and forth grinning the grin of sheer delight.

Virginia had won, and during the sixty minutes of actual play Carolina had been able to make but one first down. In the sixty minutes of actual play Carolina failed to execute successfully one forward pass, though three were attempted. At no time, excepting in the first period, when the oval got to Virginia's three-yard line from a penalty, did Carolina get within forty yards of Virginia's goal.

While Carolina made but one first down, Virginia made twenty-five by straight rushes. In kicking, Virginia punted six times for 167 yards, while Carolina gained but 455 yards in sixteen punts, and in the exchange Virginia invariably gained.

Virginia executed successfully four forward passes for sixty-eight yards. Virginia gained in rushes 417 yards, while Carolina gained but eighty-one yards. Virginia was penalized sixty-five yards and Carolina twenty-five. During the entire game time was taken out for injuries but three times, twice for Carolina and once for Virginia.

New Record Made. It set a new record. Never before had Virginia defeated Carolina by such an overwhelming score. And it tasted better because it was unexpected. Cartmell and Martin were reported to have worked wonders with the team during the past few days. New material was reported to have been discovered. Carolina was said to possess a team which, if it couldn't whip Virginia, would at least hold the Virginians to a small score. Frequent predictions were made that Virginia would never equal Georgetown's or Washington and Lee's record against the same eleven. Yet Virginia rolled up six points to none.

Carolina failed to measure up to Virginia in any department. The team was not as well coached as the Orange and Blue. It showed no power of attack, and without Tillet the score would have been doubled. On several occasions this stocky youngster, with only himself between his goal post and the line, tackled and tackled surely, bringing to the dirt such men as Todd and Mayer. No other man showed anything, unless it be Strange, who substituted at end for Huske.

On the other hand Virginia attacked with determination and effect. The interference was almost perfect, and we venture the prediction that had no eleven been as finished a product when it went up against Georgetown as it was when Carolina was tackled, the Blue and Gray would have been badly beaten. It is hard to compare Virginia and Carolina. They do not class together. Virginia is just as much better than Georgetown as it is much better than North Carolina. This year, at any rate, as the score indicates. Indeed, if anything Virginia is even better than that, for the subs finished the contest.

The score at the end of the first period was 7 to 0. At the end of the half, 14 to 0. At the end of the third period, 35 to 0, and at the end of the game, 55 to 0, which shows that Virginia's fighting spirit never waned and that she played for all that was in her all the way. Still V. M. I. beat Virginia, and was in turn whipped by St. John's.

## AUTO RACES ARE ON CARD TO-DAY

(Continued From Seventh Page.)

program, exclusive of the special event arranged for Disbrow. The first three events are for nonprofessionals, members of the Richmond Automobile Club and drivers from Petersburg. Prize cups will be given the winners of these events.

The fourth event is a heat race, one, two and three miles, for professional drivers, while the fifth event is a ten-mile handicap, also for professional drivers, and for these events cash prizes are to be contested for.

The professional drivers will participate in the last two events, which are to be held on the country, and as a result the eyes of the auto enthusiasts throughout the country will be centred on Richmond to-day and to-morrow. The contest is the largest that has ever been planned for a circular dirt track in this country.

The program for to-day, exclusive of Disbrow's feature, is as follows:

First event—five-mile race, for owners, fully equipped touring cars, entries limited to members of the Richmond Automobile Club. Prize, cup, value, \$25.

Second event—five-mile race, for owners, fully equipped touring cars, entries limited to members of the Richmond Automobile Club. Prize, cup, value, \$25.

Third event—ten-mile race for owners, fully equipped touring cars and runabouts, under \$1,000; entries limited to members of Richmond Automobile Club. Prize, cup, value, \$25.

Fourth event—heat race, first heat, one mile; second heat, two miles; third heat, three miles. Start at three o'clock. Prize for professional drivers, \$100 cash; first, \$50; second, \$25; third, \$10.

Fifth event—ten-mile handicap, for professional drivers. Prizes—first, \$100 cash; second, \$50 cash; third, \$25 cash. New York has sent three great drivers, headed by the world's long distance dirt track champion, Spencer Wishart. And to add an international flavor to the meet, Louis Menegatti, former racing partner of Wild Bob Burman and one of the great pilots ever sent to the United States from abroad, is here to take part.

Menegatti stirred up a lot of comment during the past summer when he won the Remey Grand Brazard four times from Burman in a series of track races. He will be handicapped somewhat in his showing because of the failure of his Saturday creation to arrive in Richmond in time to work upon it. However his presence and his driving will add a lot of international interest to the local races.

Last night when the roll was called up between the two cars they drove

the list of great drivers in the city had reached the remarkable number of twelve. Many history making races even have been held with but three or four cars and drivers to compete, which gives a good line on the professional drivers and machines there are no less than ten local cars turned up for the fray to-day and to-morrow. While the speed of these latter space eaters may be considerable slower than that of the great special racers, yet the competition between them is sure to stir up a world of interest among the local race fans.

And in the big handicap races which will feature both days of speed sport, the local cars and drivers with the proper handicaps will be called upon to go against the visiting group of stars. And it is in events of this kind that many of the world's greatest drivers are discovered.

All the details of the meet have been completed, and with competent men to handle the department of the speed entertainment, no friction should be experienced in getting off the races.

The snow which fell yesterday proved just the thing for the fair grounds track. It saved the trouble of sprinkling the course with chloride of calcium and water, as the snow melted slowly and left the surface of the track moist and in condition to work.

With good weather to-day, the Fair Grounds track should produce several new records. Louis Disbrow, who will try for a new mark for the mile, worked all last night getting his great little Simplex Zip in shape.

Speed trial of the year, and he states that with an even break in luck he should clip a full second off the record made by Barney Oldfield two years ago in the Blitzen Benz.

Disbrow will also drive his famous 300-horsepower Jay-Eye-See, which he uses on the great beach courses for record trials and straight away events. Disbrow allowed his great car to be displayed on the streets yesterday for the first time since its arrival in the city, and its appearance caused a lot of comment.

The Jay-Eye-See was first driven by Nardo, a great Italian driver. Disbrow bought it to send it after the beach records at Galveston, Tex., and Old Orchard, Maine. Just how successful he was is shown by the record books. At Galveston he drove a mile in 21.11 seconds in third speed, the condition of the track making it impossible to use the fourth speed. The old record was above the thirty-second mark, and was held by Len Zengel. At Old Orchard, Disbrow drove the mile in thirty-five seconds against the old record of thirty-nine seconds held by the Stanley Steamer.

Disbrow's chief opponents in the record trials will be Spencer Wishart, Joe Nikrent, Dave Lewis and Perkins. Joe Nikrent and Spencer Wishart hold several world records, and between the two of them they have won next to Louis Disbrow and Bob Burman, as many races as any drivers in the world. It is a toss-up between the two cars they drove

downed in his tracks by Moore. By a penalty of five yards for Virginia being offside, Carolina made first down.

Mayer Over Again. Again the Tarheel centre heaved the oval over the heads of the back field. Finlay, Moore and Woolfolk dived for the ball. Finlay snapped it up, but Woolfolk's head was driven into the Carolinians' shoulder, and he was released by Taylor.

First down was made by three line plays. With the ball on the ten-yard line Mayer ripped his way through right tackle for a touchdown. Gooch punted out to Todd, and Carter failed to kick the goal.

Carolina kicked off to Virginia. Gooch ran the ball back to the centre of the field. A forward pass, Gooch to Finlay, gained twenty yards. Todd went around the left end for five more, and Gooch, on a quarterback run, made ten. Gooch, in attempting to duplicate the same play, was tackled for a loss of five yards by Stevens. Harris replaced Long at left end for Carolina.

Smith, of Virginia, made two wild heaves. Neither ball was near the man it was intended for. Virginia was again penalized for being overzealous. A line plunge failed and the ball went to the Tarheels. Tillet punted to Todd who was thrown in his tracks by Strange. The half ended with the ball on Carolina's forty-yard line in Virginia's possession. Score, 24 to 0.

Second Half. The second half started with Blalock substituted for Applewhite. Virginia still had the team that started the game. Carolina kicked off to Virginia. Before making an inch, Woolfolk was downed. Todd went around right end for twenty yards. He was tackled by Tillet. Another perfect forward dip was executed. Todd to Landes. It was met by the Virginians twenty yards. Mayer carried the ball through the left guard for five more. On the next attempt he made it first down. Smith failed to gain, but Todd made a beautiful run of twenty yards through the Tarheel team for a touchdown. Carter made the goal.

Tillet changed positions with Smith. Mayer, kicking off for Virginia, sent the oval to Homewood, who brought it back for twenty-five yards. Tillet, on a fake kick, lost five yards, being thrown by Finlay. He immediately came back with the same play for ten yards. In attempting a punt, the ball was blocked by one of his own linesmen. Tillet recovered, and it was Carolina's ball on their thirty-yard line.

Tillet made a forward pass to Homewood, which was smeared by Smith, the Virginia full back. Finlay was blocked by one of his own linesmen. Tillet recovered, and it was Carolina's ball on their thirty-yard line.

a ten-yard dash through tackle, but fumbled, and Carolina was again in possession of the ball on her thirty-yard line.

Blalock, on a delayed pass around left end, was thrown behind the line by Carter. A forward pass was attempted, but Landes snuggled around the ball. He was tackled by Homewood, after making twenty yards.

The ball was now on Carolina's ten-yard line. Smith made five yards, but was slightly injured, and time was taken out. Little was then substituted for Dortsch. Mayer, on the next play through the right side of the line, got another touchdown. Gooch punted out to Todd, but Carter missed goal. Score, 48 to 0.

Randolph Relieves Gooch. Randolph was sent in to relieve Gooch at quarter for Virginia. Mayer kicked off to Taylor, who was downed by Smith after a ten-yard advance. Virginia again felled Carolina's try at a forward pass. A double pass, Tillet to Smith to Taylor, netted five yards. Line plays again failed. Tillet then punted to Todd, who was tackled by Strange on the Tarheel forty-yard line. After trying two line plunges, Captain Todd gained eight yards. Mayer failed to gain, and the ball was punted. It was received by Tillet on his ten-yard line. He was tackled by five men. Tillet punted back, but the sooty ball only went ten yards. It was received by Finlay, who advanced it to the five-yard line, from where Mayer made an easy touchdown on the next play. Randolph made a poor punt out, which was muffed.

Mayer kicked to Tillet who was tackled on twenty-five yard line by Randolph. On the next play the Carolinians gained five yards. Another forward pass was intercepted by Landes and Virginia had the oval on Carolina's thirty-yard line.

Two beautiful passes were fished. One line play failed and a triple pass, intended for a forward pass, was broken up and Carolina had the ball. Smith was split behind the line by Jett. Tillet was thrown and dropped the ball, which was recovered by Carolinian. Forced to punt Tillet sent the ball to Todd, who was tackled by nearly the whole team. The quarter ended with the ball in Virginia's possession in midfield. Score 55 to 0.

Play Second Team. The final quarter found Virginia substituting new men. Gooch was sent in to his old position. Maiden went in for Jett. Gillette for Finlay. Farrow for Carter. Groner for Acree and Morgan for Redus. Moore was substituted for Smith, but was again released by Devane.

Todd gained six yards. Virginia drew another penalty of fifteen yards for holding. Todd got five yards around left end. Cooke went to for Smith.

A forward pass Todd to Landes gained twenty yards and Todd made it first down. Carolina was set back five yards for being offside and Cooke made first down again. On the next play Cooke went through the right side of the line for another touchdown. He missed an easy goal.

Cooke kicked off to Taylor, who brought the oval back for fifteen yards. Two plays were smeared and Taylor got five yards through line on a delayed pass. A double pass, Taylor to Tillet, was fumbled by the latter. Carolina again recovered, but the loss made it necessary to punt. Tillet punted the oval to Gooch who failed to gain. Todd got around right end for five yards and Acree went through for four. Four more plays failed to gain and the ball went to Carolina on her forty-yard line.

Taylor got two yards. Tillet added two more, but these gains were offset by a penalty of five yards for offside. Tillet punted to Acree, who advanced the ball to Carolina's forty-yard line. He then succeeded through the Tarheel line for thirty yards more. On the next play Cooke got five yards on a delayed pass, Acree added three more and Cooke carried the oval across the line for the final score.

Carolina kicked to Virginia. The ball was advanced to midfield. Here the necessary contest ended. The score being 55 to 0.
